CRAFTS
As a handcrafted product, each piece is unique. Natural qualities of wood could result in variations in color tone, wood grain and the presence of medullary rays or knots. Observations of such differences across products or orders does not constitute a basis for order cancellation or product returns.

CLEAN & CARE
Solid wood may become weathered or the fibres may rise slightly. Use a dry soft cloth for cleaning. Do not use household cleaners containing any type of chemicals. Wood should not be exposed to excessive heat, direct sunlight or humidity.
